Weight of Extractor	11,905 lbs*	33,000 lbs*
Serial Number	KE042108	KE042408

\* Includes Weight of Truck

NOTE: Rule of thumb: For every one foot of height, weight capacity should be reduced by 1600lbs on the truck mount

NOTE: If you are calculating crane size for the aerial, always add 15% for safety factor. (Extractor + Bundle + 15%)
